Australian White Embryos and Semen available for export

Von:

An:

Datum: 26.10.2025 09:49:26

Hi A...

Below are 42 Australian White and 20 New Zealand Wiltshire cross Exlana/EasyCare embryos. Potential buyers can select individual straws from different donor ewes.

A list of semen eligible for export is also attached.

All the rams used are unrelated.

Let me know if you are interested.

Regards
